### For the nature lovers...

#### Stone Necklaces/Earrings

Price Varies

Carry a bit of nature around with you on our handmade necklaces or earrings! Each piece is made right here at Meraki Springs, making them all one-of-a-kind!

#### Moroccan Cone Jugs

\$48.71

These cone jugs, artisan-made in Morocco, are not only stunning in color and quality, but are quite eco-friendly as well! Made from recycled beer and wine bottles, they repurpose glass that would otherwise end up in landfills into beautiful vases or kitchen statement pieces.

#### "Colorado Sunset"

\$648.42

Another testament to repurposing materials into brand-new items, this "painting", made here in Colorado by Keith Chew, uses layers of non-ferrous metals to depict a beautiful scene of Colorado nature. This is a gorgeous, one-of-a-kind art piece for the home of any appreciator of nature.

### For the party hosts...

#### Cheese Board Tools

\$25.98

Whether they're the ones to serve beautiful spreads at parties and family gatherings or they're simply a lover of a good charcuterie board, any recipient will be sure to love this convenient set of cheese board tools! Made in Italy from beechwood and stainless steel, this set contains the must-have tools to use on any cheese board spread.

#### Handblown Glass Pitcher

\$48.71

Give that person in mind a gift as vibrant as they are! Perfect for elevating any party or dinner table, this hand-blown, recycled glass pitcher is sure to make a statement. Pair with a set of matching hand-blown glasses (listed below) to build a gorgeous serving set! Also comes in orange!

#### Handblown Glasses

\$59.54

Serve refreshments in vibrant style with this set of 4 glasses, hand-blown from recycled glass. Pair with a matching pitcher to build a bold, colorful serving set! Also comes in blue!

### For the fashionistas...
